

## **Genesis Announces Closing of Residential Development Land in North Calgary for \$23.7 Million**

---

**CALGARY, September 30, 2019** - Genesis Land Development Corp. ("Genesis") is pleased to report that the previously announced acquisition of approximately 130 developable acres of future residential development land (the "Land") in north Calgary has closed.

The purchase price of \$23.7 million was paid for with a cash payment at closing of \$5.1 million, which was funded from internal resources, and a vendor-take-back mortgage (the "VTB") of \$18.6 million. The VTB is repayable in two equal installments of \$9.3 million in 2021 and 2022, has an interest rate of 5% per annum and is secured by the Land.

The north Calgary area is experiencing strong growth, and Genesis believes the Land acquisition fits well with its existing land base in terms of location and time to market and intends to develop the Land into a residential community, with servicing slated to begin in 2020. Upon completion, the community is expected to include over 800 single-family homes, and approximately 7 acres of multi-family and commercial sites.
