---

*For Immediate Release*

**CALGARY, May 13, 2026** – Genesis Land Development Corp. (TSX: GDC) (the “Corporation” or “Genesis”) reported its financial and operating results for the three months (“Q1”) ended March 31, 2026. Genesis is an integrated land developer and residential home builder with a strategy to grow its portfolio of well-located, entitled and unentitled primarily residential lands and serviced lots throughout the Calgary Metropolitan Area (“CMA”).

The following are highlights of Genesis financial results for the first quarter of 2026:

### Q1 2026 Highlights

- **82 Homes Sold and 108 New Home Orders:** In Q1 2026, Genesis sold 82 homes, an increase of 15% from the 71 sold in Q1 2025. During Q1 2026, Genesis had 108 new home orders compared to 75 for Q1 2025. Genesis had 188 outstanding new home orders on hand at March 31, 2026 (269 at March 31, 2025).
- **\$51.5 Million of Revenues:** Genesis generated revenues of \$51.5 million in Q1 2026, down from \$58.2 million achieved in Q1 2025.
- **\$0.8 Million of Net Earnings:** Net earnings attributable to equity shareholders in Q1 2026 were \$0.8 million (\$0.01 net earnings per share - basic and diluted), compared to net earnings attributable to equity shareholders of \$6.0 million (\$0.11 net earnings per share - basic and diluted) in Q1 2025.
- **31 Lots Sold:** In Q1 2026, Genesis sold 31 residential lots, a decrease of 52% from 65 lots in Q1 2025.
- **Land Servicing Activity:** In Q1 2026, land servicing activity amounted to \$1.6 million compared to \$8.5 million in Q1 2025. Genesis is actively servicing six communities.
- **New \$100 Million Secured Revolving Credit Facility:** In February 2026, Genesis entered into a \$100.0 million secured revolving credit facility agreement with a syndicate of Canadian financial institutions at an interest rate per annum of prime rate plus 0.75% or Term CORRA plus 2.60%. The facility is secured by specific dedicated project lands and a general corporate charge over all present and after-acquired assets of the Corporation. This facility matures on February 27, 2029 and replaces the Corporation’s previous \$50.0 million corporate revolving line of credit.
- **Dividends Declared:** The Corporation declared an unconditional special cash dividend of \$0.12 per common share for a total of \$6.8 million on May 13, 2026, payable on June 3, 2026 to shareholders of record on May 22, 2026. Pursuant to subsection 89(14) of the Income Tax Act (Canada) the dividend qualifies as an eligible dividend for Canadian federal income tax purposes.

Genesis maintains financial discipline by prudently managing its balance sheet and opportunistically allocating its cash resources among the following:

- maintaining a strong balance sheet;
- acquiring and developing land either directly or through land development entities;
- acquiring builder positions in third party communities and constructing homes; and
- returning cash to shareholders by paying dividends and/or buying back its common shares.

## Outlook

Genesis is executing on its 2026 business plan while carefully monitoring market conditions. Although new home orders in the first three months of 2026 improved from the prior year, economic uncertainty continues as household affordability pressures, slowing population growth and geopolitical uncertainty temper buyer demand. In the normal course of business, Genesis is exposed to certain risks and uncertainties inherent in the real estate development and home building industries. Real estate development and home building are cyclical and capital-intensive businesses. As a result, the profitability and liquidity of Genesis could be adversely affected by external factors beyond the control of management.

Genesis continues to monitor the potential effects of U.S.-Canada trade tensions and the conflict in the Middle East on global energy markets and input costs. While the Corporation has minimal direct exposure, broader economic impacts on the CMA, Alberta, and Canada could influence Genesis' land development and housing businesses. Genesis will continue to take steps to mitigate any potential impacts on its operations.
