2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

PART I – BUSINESS OF THE MEETING

This Management Information Circular (“**Circular**”) is furnished in connection with the solicitation of proxies by the Board of directors (the “**Board**”) and management of Genesis Land Development Corp. (“**Genesis**” or the “**Corporation**” or “**our**”), to be used at the Annual Meeting (the “**Meeting**”) of holders of common shares (“**Common Shares**”) of the Corporation, to be held on Friday, May 11, 2018, at 9:00 a.m. (Mountain Daylight Time), in the Saddlestone Boardroom at Genesis Head Office, 7315 - 8th Street NE, Calgary, Alberta, T2E 8A2 and at any adjournment thereof for the purposes set out in the accompanying notice of meeting (the “**Notice**”).

All information contained in this Circular is dated as at March 26, 2018 unless otherwise noted.

As set forth in the accompanying Notice, the business to be conducted at the Meeting consists of the following matters:

1. to receive and consider the audited consolidated financial statements of the Corporation for the financial year ended December 31, 2017 and the report of the auditors thereon;
2. to fix the Board of directors of the Corporation to be elected at the Meeting at 7 members and to elect the Board of directors of the Corporation for the ensuing year;
3. to appoint MNP LLP, Chartered Professional Accountants, of Calgary, Alberta, as auditors of the Corporation for the ensuing year and to authorize the Board of directors of the Corporation to fix the auditors’ remuneration; and
4. to transact any such other business as may properly be brought before the Meeting or any adjournment thereof.

In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation. The record date to determine the shareholders entitled to receive notice of and to vote at the Meeting was March 27, 2018 (the “**Record Date**”).

All matters to be brought before the Meeting require a simple majority of the votes cast at the Meeting by the shareholders to pass.

Financial Statements and Auditors’ Report

At the Meeting, shareholders will receive and consider the financial statements of Genesis for the year ended December 31, 2017 and the auditors’ report thereon. No vote by the shareholders with respect to these statements is required or proposed to be taken. The audited consolidated financial statements for the year ended December 31, 2017 may be obtained from the Corporation upon request and copies will be available at the Meeting. Copies of the Corporation’s annual and interim financial statements are also available on SEDAR at www.sedar.com.

Election of Directors

Nomination Process – Skills, Experience, Independence and Diversity

The Governance Committee is comprised of all directors, the majority of whom are independent of management. Acting under its terms of reference, the Governance Committee is responsible for establishing general criteria for the election and re-election of directors, composition of Board Committee membership, identifying and recommending candidates to the Board for election and re-election by the shareholders, and assessing the current board based on the skills matrix set out below. The goal is to ensure that the Board as a whole possesses the necessary independence, qualities, attributes, experience and skills required to effectively oversee the strategic direction and management of the Corporation. In addition to skills and experience the Committee considered the following factors in proposing the director candidates listed below:

- Genesis is a small public company.
- Genesis has concentrated share ownership which makes shareholder representation important.

**2018 ANNUAL GENERAL MEETING
MANAGEMENT INFORMATION CIRCULAR**

- Diversity of directors including age, gender and cultural background (without establishing quotas or targets at this time).
- Independence considering applicable Canadian securities laws and regulations and the Toronto Stock Exchange corporate governance rules – particularly the requirements for members of the Audit Committee.
- Continuity of the directors.

The Committee and the Board are confident that the proposed nominees balance all of these factors. The Board notes that skills and experience are the dominant factor in all cases but also considers the diversity of the Board members. The Board includes representation from a visible minority.

The directors have the management and industry skills/experience (1=primary; 2=secondary) as set forth in the table below:

	Director / Nominee						
	Loudon Owen	Yazdi Bharucha	Michael Brodsky	Steven Glover	Stephen J. Griggs	Iain Stewart	Mark Mitchell
Management Skills / Experience							
Executive Leadership	1	1	1	1	1	1	1
Human Resources	2	2	2	2	1	2	2
Legal and Corporate Governance	1	2	1	2	1	2	2
Financially Literate / Corporate Finance	1	1	1	1	1	1	1
Capital Allocation / Acquisitions/Dispositions	1	1	1	1	1	1	1
Risk Management	2	2	2	2	1	2	2
Industry Skills / Experience							
Land Development and Urban Planning					1	1	2
Single Family Home Building					1	2	2
Real Estate Sales and Marketing		2			1	2	

At least annually, the Committee reviews the current profile of the Board including representation of various areas of expertise, experience and diversity. The Board has adopted independence standards that derive from applicable Canadian securities laws and the Toronto Stock Exchange corporate governance rules. Based upon such standards, all members of the Audit Committee are independent. The process and skills matrix is reviewed annually to reflect the current needs of the Board and strategic priorities of the Corporation.

Gender Diversity

Genesis has adopted a written policy on gender diversity, which includes the gender of a potential candidate as one component in the overall list of factors it considers when selecting candidates for executive officer and senior manager appointments, and membership on the Board and its Committees. The Board is of the opinion that if gender was the overriding factor governing the selection of Board nominees, it could unduly restrict the Board's ability to select the most appropriate nominees and candidates.

The Board has not set a target for the number or percentage of women that it wishes to have on the Board or in executive positions.

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

Proposed Nominees

The nominees (collectively, the "**Nominees**" and each a "**Nominee**") for election as directors of Genesis are:

Michael Brodsky
Yazdi Bharucha
Steven Glover
Stephen J. Griggs

Mark W. Mitchell
Loudon Owen
Iain Stewart

In the opinion of the Committee and the Board, the Nominees are well qualified to continue to act as directors for the ensuing year. Each nominee has established his eligibility and willingness to continue to serve as a director, if elected. Each director, if elected, will hold office until the next annual meeting of shareholders or until his successor is duly elected or appointed, unless his office is earlier vacated in accordance with the by-laws of the Corporation.

The individuals named in the accompanying form of proxy as proxyholders are either officers ("**Officers**") or directors of Genesis and intend to vote at the Meeting for fixing the number of directors at 7 members and to vote for the election of the nominees whose names are set forth above, unless specifically instructed on the form of proxy to withhold such vote. The election of directors will be decided by a majority of the votes cast at the meeting by shareholders present, in person, or by proxy. **The Board and management recommend that shareholders vote in favour of each of the above-named Nominees.**

If, for any reason, any of the nominees is unavailable to serve, the persons designated in the form of proxy will be able to vote in their discretion for any substitute nominee or nominees. The persons named in the enclosed form of proxy intend to vote "**FOR**" the election of any substitute nominee or nominees recommended by management of the Corporation.

The enclosed form of proxy permits you to vote in favour of all of our nominees, to vote in favour of some nominees and to withhold votes for other nominees, or to withhold votes for all nominees. It is the intention of the persons named in the enclosed form of proxy, if not expressly directed to the contrary in such form of proxy, to vote such proxies "**FOR**" the election of all nominees specified as above.

We may also use the services of outside firms to solicit proxies. The cost of proxy solicitation will be paid by the Corporation.

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

Appointment of Proxy Holders

The persons named (the “**Management Designees**”) in the accompanying form of proxy have been selected by the Board and have indicated their willingness to represent as proxy the shareholder who appoints them. **Any shareholder has the right to appoint any person (who needs not be a shareholder), other than the directors or officers of the Corporation named in the accompanying form of proxy, to attend and to vote and act for and on behalf of such person at the Meeting.**

In order for proxies to be recognized at the Meeting or any adjournment or adjournments thereof, the shareholder may insert the name of such person in the blank space provided in the instrument of proxy, or may use another appropriate form of proxy. All instruments of proxy must be deposited with Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, not later than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) prior to the Meeting or any adjournment thereof. The Chairman of the Meeting may refuse to recognize any form of proxy received after such time.

Revocation of Proxies

A proxy is revocable. The giving of a proxy will not affect the right of a shareholder to attend and vote in person at the Meeting. A shareholder who has given a proxy may revoke it prior to its use, in any manner permitted by law, including by instrument in writing, executed by the shareholder or by his or her attorney authorized in writing or, if the shareholder is a corporation, executed by a duly authorized officer or attorney thereof, and deposited either at the registered office of the Corporation, 7315 – 8th Street NE, Calgary, Alberta, T2E 8A2, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chair of the Meeting prior to the commencement of the Meeting or any adjournment thereof.

Voting of Common Shares

Common Shares represented by any properly executed proxy in the accompanying form will be voted or withheld from voting on any ballot that may be called for in accordance with the instructions given by the shareholder. ***In the absence of such direction, the Common Shares will be voted in favour of the matters set forth herein.***

The accompanying proxy confers discretionary authority on the Management Designees with respect to amendments or variations to matters identified in the Notice or other matters that may properly come before the Meeting. As of the date hereof, management of the Corporation is not aware of any such amendments, variations or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the Management Designees intend to vote in accordance with the judgement of management of the Corporation.

Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to many shareholders who hold Common Shares through brokers and their nominees, as a substantial number of shareholders do not hold Common Shares in their own name.

Shareholders who hold their Common Shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their Common Shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders who appear on the records maintained by the Corporation’s registrar and transfer agent as registered holders of Common Shares will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those Common Shares will, in all likelihood, *not* be registered in the shareholder’s name. Such Common Shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co., the registration name for The Depository Trust Company, which acts as nominee for many United States brokerage firms. Common Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted or withheld at the direction of the Beneficial

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. Each Beneficial Shareholder should therefore ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder.

Beneficial Shareholders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as "**NOBOs**". Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as "**OBOs**".

Distributions to NOBOS and OBOS

In accordance with the requirements of National Instrument 54-101 -*Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators ("**NI 54-101**"), the Corporation has elected to rely on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting (the "**Meeting Materials**").

The intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. Intermediaries will frequently use service companies to forward the Meeting Materials to the OBOs. Generally, an OBO who has not waived the right to receive Meeting Materials will either:

- a) be given a form of proxy which has already been signed by the intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the OBO and must be completed, but not signed, by the OBO and deposited with Computershare Investor Services Inc.; or
- b) more typically, be given a voting instruction form ("**VIF**") which is not signed by the intermediary, and which, when properly completed and signed by the OBO and returned to the intermediary or its service company, will constitute voting instructions which the intermediary must follow.

The Corporation will not be paying for intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the Meeting Materials and related documents. Accordingly, an OBO will not receive copies of the Meeting Materials and related documents unless the OBO's intermediary assumes the costs of delivery.

The Meeting Materials are being sent to both registered shareholders of the Corporation and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Meeting Materials sent to NOBOs who have not waived the right to receive meeting materials are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a NOBO is able to instruct the voting of the Common Shares owned by the NOBO.

VIFs, whether provided by the Corporation or by an intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

the Common Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on the Non-Registered Holder's behalf, the Non-registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder, or the Non-Registered Holder's nominee, the right to attend and vote at the Meeting.

A Beneficial Shareholder who receives a VIF cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to the intermediary (or instructions respecting the voting of Common Shares must otherwise be communicated to the intermediary) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. ***Beneficial Shareholders, who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder, should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.***

All references to shareholders in this Circular and the accompanying form of proxy and Notice are to registered shareholders unless specifically stated otherwise.

Voting Securities and Principal Holders Thereof

Registered holders of Common Shares as shown on the shareholders' list prepared as of the Record Date will be entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share held, except to the extent that: (i) a registered shareholder has transferred the ownership of any of their Common Shares after the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares, and demands, not later than ten (10) days before the Meeting, or a shorter period as may be permitted, that his or her name be included on the list of persons entitled to vote at the Meeting, in which case, the transferee shall be entitled to vote such Common Shares at the Meeting.

As of the Record Date, 43,252,721 of the Corporation's unlimited authorized voting Common Shares were issued and outstanding. The Corporation is also authorized to issue an unlimited number of preferred shares, of which none have been issued.

By-Law No. 1, approved by the shareholders at the last Annual General Meeting held on May 12, 2016 provides that a quorum of shareholders is present at a meeting of shareholders if at least two persons are present in person, each being a shareholder entitled to vote thereat or a duly appointed proxy, and who hold or represent by proxy in the aggregate not less than twenty-five percent (25%) of the outstanding Common Shares entitled to be voted at the meeting, an increase from five (5%) under the previous By-Law No. 1 adopted in 1997.

To the knowledge of the Corporation's Directors and Officers, and as of the date hereof, no person beneficially owns, or controls or directs, directly or indirectly, more than 10% of the voting rights attached to all outstanding Common Shares, other than as set forth below.

Majority Voting Policy

The Board has adopted a majority voting policy under which shareholders are able to vote in favour of, or to withhold from voting, separately for each director nominee. A director who is not elected by at least a majority of the votes cast, other than in a context of a contested meeting, must tender his or her resignation to the Chair of the Board immediately after certification of the election results, to be effective upon acceptance by the Board. The election results shall be disclosed immediately after the meeting including the number of votes "For" and the number of votes "Withheld" for each Director. A "contested meeting" is defined as a meeting at which the number of directors nominated for election is greater than the number of directors fixed for election to the Board. The Board must accept or refuse the tendered resignation within 90 days of the meeting and the Board must promptly communicate its decision by issuance of a news release. If the directors refuse to accept a resignation, the news release must fully state their reasons. Barring exceptional circumstances, the Board will accept the resignation.

PART III – COMPENSATION

General

Compensation Governance

The Board has delegated to the Compensation Committee (the "Compensation Committee"), the responsibility for the oversight, review, and recommending to the Board for approval, on an annual basis, the Corporation's compensation policies and the level of non-executive director and executive compensation. The Compensation Committee is currently comprised of three directors, Stephen J. Griggs (Chair), Iain Stewart, and Loudon Owen. Mr. Stewart and Mr. Owen are independent of management and are also considered independent under National Instrument 52-110 – Audit Committees ("NI 52-110"). Decisions of the Compensation Committee are by a majority vote and all key compensation matters are also subject to Board approval.

The members of the Compensation Committee were selected according to their experience and their knowledge of matters to be dealt with by the Compensation Committee. Each member of the Compensation Committee has direct experience that is relevant to his responsibilities in executive compensation, as well as the skills and experience necessary to enable him to make decisions as to the suitability of the Corporation's approach to and determination of executive compensation. Members of the Compensation Committee acquired these skills through their experience with various companies and organizations as executive officers or as corporate directors, including being a member of a similar committee on another board. Mr. Griggs served for three years as Executive Director of the Canadian Coalition for Good Governance, where he represented the interests of leading Canadian pension plans and other institutional shareholders and was instrumental in developing and implementing the Coalition's

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

guidelines on executive compensation including "say on pay". Please see "Director Nominee Profiles" on pages 8 to 11 of this Circular for biographical information concerning members of the Compensation Committee.

Risk Oversight

The Board is responsible for managing significant risks of the Company and ensures there are systems in place to effectively monitor and manage those risks associated with Genesis' compensation policies and practices.

Board of Directors' Compensation

Objectives

The primary objectives of the Committee respecting director compensation are: a) to ensure that the remuneration fairly reflects the responsibilities and time commitment required of its directors; b) is competitive with similarly sized public companies; and c) is sufficient to attract and retain qualified directors. The fees of directors (other than for the Lead Director and the Vice-Chairman) have not been changed materially for a number of years and are reviewed by the Committee from time to time.

Directors are compensated for their services through fees payable by way of cash. The Board terminated the stock option plan on March 22, 2016, and all stock options previously granted to directors were voluntarily cancelled on June 30, 2016.

Director fees are paid by way of annual board and committee retainers, prorated from the date of the director's appointment to the Board and relevant committees, paid quarterly. No additional meeting fees are paid to directors. The Corporation does not provide benefits or a retirement plan for its directors.

Directors Compensation Details

Directors are paid Board and committee retainers according to the following rates:

Directors Incentive Plan Awards

Outstanding Share-Based and Option-Based Awards

No share-based awards or option-based awards held by the directors were outstanding at the end of the financial year ended December 31, 2017. The Board terminated the Option Plan on March 22, 2016, and all stock options previously granted to directors were voluntarily cancelled on June 30, 2016.

Incentive Plan Awards – Value Vested or Earned during the Year

The directors did not receive any share-based awards or non-equity incentive plan compensation during the financial year 2017.

2017 Directors' Compensation Plan

Based upon the recommendation of the Committee, the Board determined that the lead director fees be increased to \$60,000 from \$50,000 and fees of \$100,000 be paid to the Vice-Chair, a position that Mr. Stewart was appointed to in May 2017. Other than the foregoing, the directors' fees in 2017 remained at the same levels as in 2015 and 2016.

Director Share Ownership Guidelines

To align the interests of directors with those of shareholders, in 2014 the Board adopted a minimum share ownership requirement policy for its directors. All directors are expected to hold, control, own or be a representative of an entity which owns or controls common shares having an acquisition cost of a minimum of 3 times the basic retainer of \$35,000 (being \$105,000) within 18 months from the adoption of the policy. New directors are expected to meet this ownership requirement within 3 years of first being elected to the board. In the event that a director fails to meet this requirement, he or she will have 30 days to cure such non-compliance, failing which, the director is expected to tender his or her resignation as a director. The Board will accept the resignation absent highly unusual circumstances and/or may take whatever action it deems appropriate in its sole discretion.

All current directors are in compliance with this policy as of the date of this Circular.

Directors' and Officers' Insurance

The Corporation maintains a liability insurance policy for the benefit of the directors and officers of the Corporation. The policy provides coverage for costs incurred to defend and settle claims to an annual liability limit of \$10 million per claim and an additional \$10 million limit of liability. Depending on the category of the claim made, there is a deductible amount of either \$15,000 or \$25,000 per claim.

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

Director Terms

The Corporation does not have formalized terms limits in place for its directors and there is no mandatory retirement age in respect of a director's service on the Board. Genesis may consider adoption of term limits for its directors in the future.

Director Attendance

Attendance records are disclosed in the table of meetings held on page 32 of the Circular. Directors are expected to attend all meetings of the Board and Board committees upon which they serve, to attend such meetings fully prepared and to remain in attendance for the duration of the meeting.

In Camera Sessions

Meetings of the Board and its committees generally include an "in camera" session at which only the CEO is in attendance and also with directors other than the Chair and CEO as appropriate.

Director Assessment

The Board has established a formal process that every two years the directors complete a written self-assessment questionnaire of the effectiveness of the Board, its committees and the Chair, the Lead Director and the Vice-Chair. The directors provide quantitative ratings of key areas and also provide comments in each of the areas. The responses are reviewed by the Lead Director (who is also Chair of the Governance Committee), who considers any proposed changes to the Board, its mandate or the Committees and their respective mandates. A summary report is prepared by the Lead Director and provided to the full Board for its review. The Board believes that it benefits from the direct input of each of its individual directors. The self-assessment was completed by all directors in March 2018 and the directors are satisfied that the Board and its committees are functioning effectively and properly. Several suggestions for improvement of processes and the Board's meeting times will be considered further.

Succession Planning

The Board considers CEO and other senior executive succession plans on at least an annual basis and the Lead director and the CEO at least once a year discuss succession plans for other executive officers. In 2017, the Board has actively and regularly reviewed the current arrangements for the CEO, CFO and each Vice-President role and modified as appropriate in the circumstances.

Board Education

Directors are encouraged to participate in continuing education. The Board adopted a director education policy which will reimburse each director up to \$2,000 per year for relevant educational programs.

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

PART IV – COMPENSATION DISCUSSION AND ANALYSIS

2017 Executive Changes

Stephen J. Griggs and Wayne King were appointed CEO and CFO of the Corporation, respectively, effective May 12, 2017. Mr. Griggs was previously the interim Chief Executive Officer of the Corporation. Ms. Kirsten Richter's contract as the interim CFO of the Corporation ended on August 31, 2017.

Compensation of Executive Officers

The Compensation Discussion and Analysis described below provides information about and explains the Corporation's philosophy for executive compensation, the elements of compensation and the general objectives for such elements in 2017. This disclosure is intended to communicate the compensation provided to the identified named executive officers (each an "NEO").

An NEO of the Corporation is defined by securities legislation to mean each of the following individuals, namely: (i) the Chief Executive Officer; (ii) the Chief Financial Officer of the Corporation; (iii) each of the Corporation's three most highly compensated executive Officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and the CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and (iv) each individual who would be a NEO under (iii) above but for the fact that the individual was neither an executive Officer of the Corporation, nor acting in a similar capacity, at the end of the most recently completed financial year.

The NEOs of the Corporation for 2017 are as follows: Stephen J. Griggs, CEO; Wayne King, CFO; Kirsten Richter, former interim CFO; Arnie Stefaniuk, Vice-President, Land Development; Brian Whitwell, Vice-President, Land and Financing; and Parveshinder Sidhu, President, Genesis Builders Group Inc. and Vice-President, Home Building.

The compensation plan for the NEOs (except for the CEO and the former interim CFO) in 2017 consisted of a base salary, a discretionary annual cash bonus and a long term incentive plan, each of which is described below.

The Board terminated the Corporation's Option Plan on March 22, 2016, and grants of stock options are no longer made a part of the executive compensation plan. All Stock Options previously granted to directors and the NEOs were voluntarily cancelled by mutual agreement on June 30, 2016.

Objectives of Compensation Process

The Corporation's executive compensation plan is designed to:

- Enable the Corporation to attract qualified executives who demonstrate leadership and management skills;
- Motivate and retain qualified, and experienced individuals who will contribute to the long-term success of the business;
- Align the interests of the executive officers with those of the shareholders; and
- Balance appropriate levels of risk and reward.

The Compensation Committee makes recommendations to the Board regarding compensation to be provided to the NEO's other than the CEO (being the CFO and Vice-Presidents of the Corporation), while the full Board determined the compensation of the CEO of the Corporation. Mr. Griggs recused himself during the Board's discussions regarding his compensation as CEO.

The Compensation Committee's recommendations are based on the underlying philosophy that compensation should:

- Incent and reward the achievement of specific annual objectives as well as the long-term and strategic goals established by the Board;
- reflect the experience, performance and contribution of the individuals involved;
- take into consideration the overall growth, performance and success of the Corporation on behalf of shareholders, and;
- position the Corporation to retain individuals contributing to its success.

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

The Compensation Committee also considers compensation packages that would be available to such officers from other employment opportunities based on available salary data, publicly disclosed information and the Director's knowledge of the local market place.

2017 CEO and CFO Compensation

Effective February 16, 2016, the executive services of Stephen J. Griggs as interim and permanent CEO have been and are provided to the Corporation through Underwood Capital Partners Inc. ("**Underwood**"), a private corporation controlled by him in accordance with a written agreement dated as of February 16, 2016 and revised effective May 11, 2017. Under this agreement, Underwood was paid a monthly retainer fee until June 15, 2016, at which time the fee was changed to a fee based on days spent, plus travel and related expenses. The agreement may be terminated by either party on thirty days prior written notice. No incentive or severance fees (share or cash based) are payable to Underwood under this agreement.

Wayne King was named CFO of the Corporation effective May 12, 2017. The compensation plan for Wayne King was based on the compensation plan for Vice-Presidents and included base salary, standard benefits, an annual cash bonus calculated as a percent of base salary, and participation in the Vice-President long-term incentive plan referenced below. The Board in consultation with the CEO annually sets operating and financial objectives and the target performance criteria for the annual cash bonus and the long-term incentive plan for the CFO and all Vice-Presidents.

From April 18, 2016 to August 31, 2017, the services of Kirsten Richter, former interim CFO of the Corporation, were retained through KM Richter Advisory Services Inc. ("**Richter**"). Fees were paid based on time spent, plus reimbursement of certain travel related expenses. This agreement ended on August 31, 2017. No incentive fee was payable to Richter.

The total payments made to Underwood, Richter and Wayne King in 2017 are set out below in "Summary Compensation Table".

Compensation of the NEOs other than the CEO and CFO

Base Salaries

The base salaries for the NEOs, other than the CEO and the CFO, are determined by the CEO in consultation with the Compensation Committee and are approved by the Board and are intended to ensure internal consistency and fairness and are based on market factors. The base salaries are reviewed annually having regard to the change in the cost of living and whether there have been in material change in their level of responsibility. The salaries for the NEOs in 2017 were increased slightly to cover the increased cost of living but essentially remained the same as for 2016.

Annual Incentive Plan

In 2017, the Annual Incentive Plan for the CFO and the three Vice-President's (Parveshinder Sidhu, President, Genesis Builders Group Inc. and Vice-President, Home Building; Arnie Stefaniuk, Vice-President, Land Development; and Brian Whitwell, Vice-President Land and Financing) consisted of a cash bonus. The Board set individual financial and operational objectives for 80% of the annual bonus, and certain overall corporate metrics for 20% of the annual bonus. The Board also set minimum performance requirements, below which no award would be made for that objective, as well as maximum performance criteria. If all objectives were achieved at "maximum" as determined by the Board, the CFO and the three Vice-Presidents were eligible to be awarded an annual cash bonus of up to 40% of their base salary, subject to the overall discretion of the Board.

The CEO provided an assessment to the Compensation Committee of the individual performance of the CFO and the Vice-Presidents, as well as of the relevant corporate metrics, and recommended individual cash bonuses to be paid to the CFO and each Vice-President for 2017. The Compensation Committee considered these assessments and recommendations and recommended the annual cash bonuses for approval by the Board which ratified those recommendations.

The total payments of cash bonuses made to the CFO and the three Vice-Presidents in 2017 are set out in "Summary Compensation Table".

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

Long Term Incentive Plan Awards

The long-term incentive plan for the CFO and the three Vice-Presidents in 2017 ("**LTIP**") is intended to link the interests of executives and shareholders by rewarding them for the creation of shareholder value in the long term. LTIP awards in 2017 were based on achieving or exceeding certain cash flow from operations targets, subject to overall minimum and maximum amounts. Eligible executives were entitled to a 2017 LTIP award of up to 45% of base salary in the year. In 2017, cash flow from operations (as defined in the LTIP) exceeded the maximum amount, and the full 45% LTIP was awarded by the Board.

LTIP amounts are payable in cash, one third in each of 2018, 2019 and 2020 immediately following the release of the prior year's annual audited financial statements. All future LTIP payments are forfeited if an executive ceases to be employed by the Corporation.

Other Elements of Compensation

Pension, Retirement, Deferred Compensation and Actuarial Plans

The Corporation matches any contribution made by an employee, including the NEO's (other than Mr. Griggs who is an independent contractor), to Genesis' Group Registered Retirement Savings Plan up to an amount equivalent to 2% of the annual base salary.

Benefits

Extended health care, dental and insurance benefits and a group Registered Retirement Savings Plan are provided to all employees, including the NEOs other than Mr. Griggs who is an independent contractor. The process for determining approval of benefits for the NEOs is to provide benefits which are comparable to those usually offered by other corporations of a similar size to the Corporation.

Option Plan, Share Based Compensation & Non-equity Incentive Plan Compensation

The Option Plan was terminated by the Board on March 22, 2016, and accordingly stock options, share-based compensation and other equity based plans are not part of the compensation plan. The Corporation did not provide any awards pursuant to a non-equity incentive plan.

Risk Management

The Corporation's compensation plan is designed to discourage excessive risk taking, while at the same time recognizing that some level of risk is necessary to increase shareholder value. The Corporation has the following in place to manage risks relating to compensation:

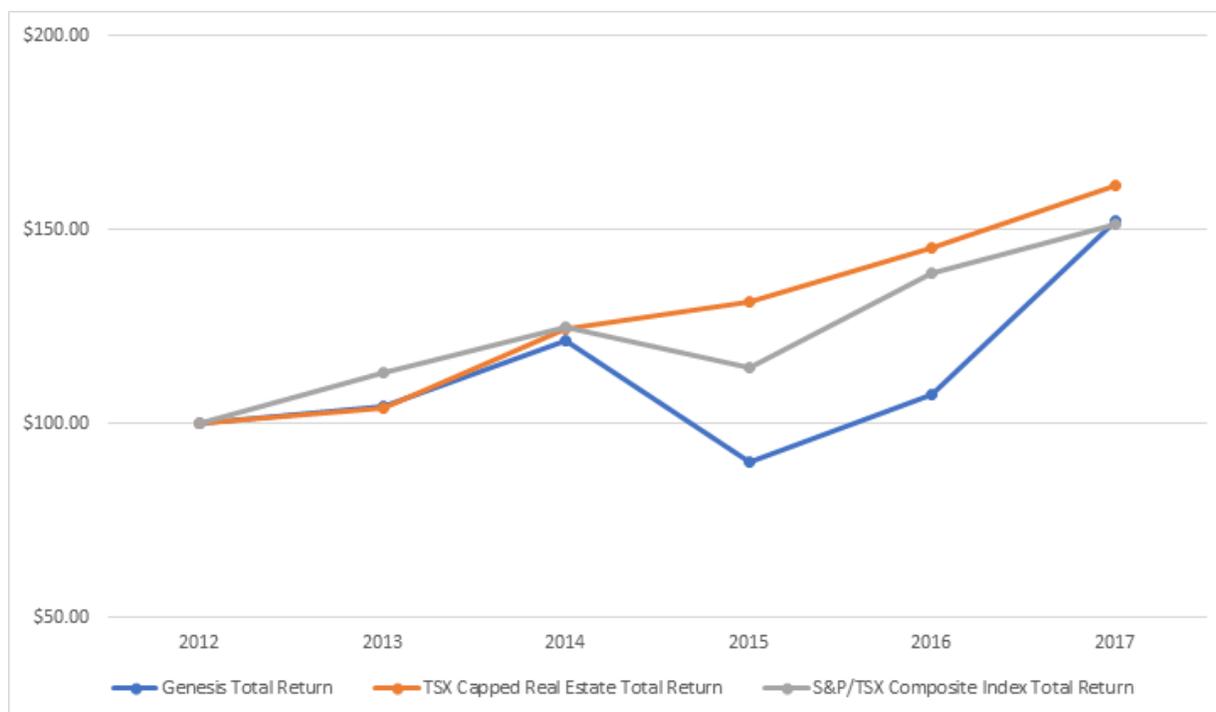

- a) The Board approved strategic, annual operating plans and budgets are prepared with due consideration of operating and industry risk;
- b) Board policies which determine authorization levels for management and executives with respect to approving and executing contracts, banking authorizations and other material commitments;
- c) Internal controls include pre-determined authority limits and require 2 or more employees jointly to make material financial and operating decisions; and
- d) Compensation for all executives has been balanced between base salary, long-term and short-term incentives in the form of cash bonuses (some of which are deferred) based on corporate and individual performance as determined solely by the Board.

MANAGEMENT INFORMATION CIRCULAR**

Performance Graph

The following graph compares the yearly percentage change in the cumulative shareholder total return over the last five years of the Shares (assuming a \$100 investment was made on December 31, 2012), and the cumulative total return of the S&P/TSX Composite Index Total Return and the TSX Capped Real Estate Total Return.

As at December 31, 2017	2012	2013	2014	2015	2016	2017
Genesis Total Return	\$100.00	\$104.60	\$121.23	\$89.96	\$107.65	\$152.20
TSX Capped Real Estate Total Return	\$100.00	\$103.74	\$124.30	\$131.16	\$145.26	\$161.56
S&P/TSX Composite Index Total Return	\$100.00	\$112.99	\$124.92	\$114.53	\$138.67	\$151.28

Shareholders total return was impacted from 2012 to 2017 by a number of factors, including the general state of the Alberta economy and the long term nature of the land development business.

When the Compensation Committee and the Board determines overall compensation, it considers a number of factors and performance elements. Although total shareholder return is one performance measure that is reviewed and considered by the Board, it is not the only consideration in executive compensation as market and economic factors outside of management's control impact shareholder return.

Outstanding Share-Based and Option-Based Awards held by each NEO at December 31, 2017

None.

Incentive Plan Awards – Value Vested or Earned by each NEO during 2017

None.

Significant Terms of Compensation Plan and Employment Agreements

The following is a description of the significant terms of the Corporation's executive employment agreements.

Termination

Other than as set forth herein, there is no contract, agreement, plan or arrangement between the Corporation and a NEO that provides for payments to a NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation or retirement.

Employment and Consulting Agreements

The contract with Underwood to provide the services of Mr. Griggs as CEO can be terminated on 30 days notice. Based on the average fees charged for the last three months in 2017, the cost to the Corporation to terminate this agreement as at December 31, 2017 would have been \$26,908.

Mr. King entered into an agreement dated as of April 26, 2017 to act as CFO. Under the terms of the agreement if the termination is for cause the Corporation shall pay all salary and benefits earned by Mr. King to the date of termination but shall not be obligated to pay any other amounts except as provided in the agreement. In the event the Corporation terminates the agreement for any reason other than cause, the Corporation shall pay to Mr. King an amount equal to nine months of his then current annual salary. If terminated 12 months after a change of control he would be entitled to 12 months of his then current salary. The estimated incremental payments, payables and benefits which might be paid by the Corporation for Mr. King, assuming a termination of employment without cause occurred on December 31, 2017 and he was employed at that time, would be approximately \$114,188.

Parveshinder Sidhu, Vice-President, Home Building, entered into an employment agreement dated June 22, 2010, replacing his previous employment agreement dated January 15, 2009. Pursuant to the agreement, either party may at any time terminate the agreement upon delivery of written notice or the Corporation may terminate the agreement for cause. The Corporation shall pay all salary and benefits earned by Mr. Sidhu to the date of termination for cause but shall not be obligated to pay any other amounts except as provided in the agreement. In the event the Corporation terminates the agreement for any reason other than cause, the Corporation shall pay to Mr. Sidhu an amount equal to three months of his then current annual salary. The estimated incremental payments, payables and benefits which might be paid by the Corporation for Mr. Sidhu, assuming a termination of employment without cause occurred on December 31, 2017 and he was employed at that time, would be approximately \$38,063.

The employment agreements with Mr. Stefaniuk and Mr. Whitwell do not contain specific termination provisions and they would be entitled to be given reasonable notice, or compensation in lieu thereof, based on laws applicable in Alberta.

Former Executives

Mr. Rudichuk's and Mr. Scott's employment with the Corporation ended effective February 17, 2016. In accordance with the terms of their employment agreements, the Corporation did not pay severance to Mr. Rudichuk or Mr. Scott at the cessation of their employment. Mr. Rudichuk and Mr. Scott are disputing the amount of severance and the value of their performance stock options in a claim filed against the Corporation. See below under "Legal Proceedings" for a summary of these claims.

PART V – OTHER INFORMATION

Legal Proceedings

Two former employees filed a statement of claim against the Corporation and a director on May 27, 2016 alleging wrongful termination of their employment and seeking damages, legal costs and other relief arising out of the termination of their employment contracts with the Corporation. The aggregate amount of the claim is approximately \$1.6 million. The former employees brought a motion before a Master in Chambers of the Court of Queen's Bench of Alberta for summary judgment asking for awards of liquidated damages, being the amount of their severance entitlements set out in their employment contracts. On April 24, 2017, the Master granted the former employees' application for summary judgment. The Corporation filed a Notice of Appeal on April 28, 2017 and intends to vigorously defend against the claim. The appeal is set down for a hearing on May 2, 2018. On March 8, 2018, the two former employees served an application for leave to amend their claim to add claims in the amount of \$1.1 million plus costs and interest in connection with a disputed purported exercise of options. It is too early in the process to assess potential liability with respect to the new claims.

On September 22, 2017, Limited Partnership Land Pool ("LPLP 2007"), Genesis as manager, the general partner, two limited partners, two affiliated limited partnerships and various third parties were named as co-defendants in a statement of claim initiated in the Province of Alberta by a limited partner of LP RRSP Limited Partnership #1, a limited partner of LP RRSP Limited Partnership #2 and a limited partner of LPLP 2007. The statement of claim seeks to be classified as a class action and is seeking pecuniary and non-pecuniary damages of \$60.0 million, including general and special damages. The Corporation's view is that this claim is completely without merit and, on its behalf and on behalf of LPLP 2007, is actively contesting both the certification proceeding and the claim itself. Any potential liability to the Corporation and/or the Partnership is currently indeterminate.

Indebtedness to the Corporation

As at the date hereof, none of the Corporation's current or former directors, officers, or employees of the Corporation or its subsidiaries, or any associate or affiliate of the foregoing, have been indebted to the Corporation at any time since the beginning of the most recently completed financial year of the Corporation. None of the persons described in the preceding sentence were at any time since the beginning of the most recently completed financial year of the Corporation indebted to another entity to which the indebtedness was the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or any of its subsidiaries.

2018 ANNUAL GENERAL MEETING MANAGEMENT INFORMATION CIRCULAR

For the purposes of the above, “support agreement” includes, but is not limited to, an agreement to provide assistance in the maintenance or servicing of any indebtedness and an agreement to provide compensation for the purpose of maintaining or servicing any indebtedness of the borrower.

Interest of Informed Persons in Material Transactions

Other than as set forth herein, management of the Corporation is not aware of any material interest, direct or indirect, of any “informed person” of the Corporation, any proposed director of the Corporation or any associate or affiliate of any “informed person” or proposed director, in any transaction since the commencement of the Corporation’s most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries.

For the purposes of the above, “informed person” means: (a) a director or officer of the Corporation; (b) a director or officer of a person or company that is itself an informed person or subsidiary of the Corporation; (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Corporation or who exercises control or direction over voting securities of the Corporation or a combination of both carrying more than 10% of the voting rights attached to all outstanding voting securities of the Corporation other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Corporation after having purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities.

Dividends

On December 19, 2017, the Board of directors declared a cash dividend of \$0.25 per common share for a total of \$10.8 million payable to shareholders of record on December 27, 2017, which was paid in January 2018. Total dividends declared in the year ended December 31, 2017 were \$19.9 million or \$0.46 per common share, compared to \$10.9 million or \$0.25 per common share in the year ended December 31, 2016.

Since 2014 when it paid its first dividend, Genesis has returned over \$41.5 million to shareholders by way of dividends and bought back nearly 1.7 million common shares for over \$4.7 million.

In the normal course of business, Genesis is exposed to certain risks and uncertainties inherent in the real estate development and home building industries. Real estate development and home building are cyclical businesses. As a result, Genesis profitability could be adversely affected by external factors beyond the control of management. Risks and uncertainties faced by Genesis vary from time to time and include industry risk, competition, supply and demand, geographic risk, development and construction costs, credit and liquidity risks, finance risk, interest risk, management risk, mortgage rates and financing risk, general uninsured losses, cyber-security and business continuity risk, environmental risk, changes in government regulations and delays in obtaining permits or government approvals. The Board ensures that processes are in place for monitoring and mitigating of all risks identified and evaluated by management by regularly undertaking a strategic and operational planning exercise of its current and future land development and home building projects and having an experienced management team. Included in the budget process are detailed capital budgets which include reviewing all financing undertaken to support any new development. A key oversight and control for capital development and financing is the preparation of a detailed development plan for each new phase that is reviewed and approved by the transaction committee prior to being undertaken. In addition, Genesis regularly monitors market conditions that may adversely affect projects that are already underway and finds means to

increase efficiencies, reduce the capital invested in work in progress to reduce the risk of the business, and expand the product mix to include small townhouse projects with the goal of reducing costs wherever possible. Genesis secures long-term commitments for supply of materials and obtains fixed pricing for labor costs depending on market conditions and whenever beneficial.

Hedging

The Corporation does not have any policies which restrict its NEOs and directors from purchasing financial instruments including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by any NEO or director.

Interest of Certain Persons or Companies in Matters to Be Acted Upon

Other than disclosed herein, no person who has been a director or officer of the Corporation at any time since the beginning of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any one of them, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting.

Management Contracts

No management functions of the Corporation or its subsidiaries are, to any substantial degree, performed by a person or company other than the directors or senior officers of the Corporation except for the services of the CEO, which are provided as a consultant to the Corporation through a privately held corporation.

Statement of Corporate Governance Practices

The Board believes that adopting and upholding the highest standards of corporate governance is critical for the overall success of the Corporation and to build stakeholder confidence. Sound corporate governance ensures the transparency and accountability in respect of the Corporation's objectives, strategies, controls, and overall performance. The Governance Committee and Board continuously monitor applicable legislation and respond appropriately to ensure the Corporation's compliance.

The Corporation also has a Code of Conduct and Ethics Policy dated March 4, 2013 which was revised, adopted and confirmed at its Board meeting on November 9, 2017, applicable to all officers, directors, and employees. Upon conclusion of the investigation and resolution of a complaint, the chair of the Audit Committee of the Corporation will advise the complainant of the corrective action measures that have been taken or advise the complainant that the complaint has not been substantiated. The Code prohibits retaliation by the Corporation, its directors and management, against complainants who raise concerns in good faith and requires the Corporation to maintain the confidentiality of complainants to the greatest extent practical. Complainants may also submit their concerns anonymously in writing.

In addition to the Code, the Corporation has an Audit Committee Mandate and a Whistleblower Policy with respect to accounting and auditing irregularities. Since the beginning of the Corporation's most recently completed financial year, no material change reports have been filed that pertain to any conduct of a director or officer that constitutes a departure from the Code.

The Board encourages and promotes a culture of ethical business conduct by appointing Directors who demonstrate integrity and high ethical standards in their business dealings and personal affairs. Directors are required to abide by the Code and are expected to make responsible and ethical decisions in discharging their duties, thereby setting an example of the standard to which management and employees should adhere. The Board is required by the Board Mandate to satisfy itself that the CEO and other executive officers are acting with integrity and fostering a culture of integrity throughout the Corporation. The Board is responsible for reviewing departures from the Code, reviewing and either providing or denying waivers from the Code, and disclosing any waivers that are granted in accordance with applicable law.

In addition, the Board is responsible for responding to potential conflict of interest situations, particularly with respect to considering existing or proposed transactions and agreements in respect of which directors or officers advise they have a material interest. The Board Mandate requires that directors and Officers disclose any interest and the extent, no matter how small, of their interest in any transaction or agreement with the Corporation, and that directors excuse themselves from both Board deliberations and voting in respect of transactions in which they have an interest. By taking these steps, the Board strives to ensure that directors exercise independent judgement, unclouded by the relationships of the directors and officers to each other and the Corporation, in considering transactions and agreements in respect of which directors and Officers have an interest. Any director, officer or employee of the Corporation who violates the Code may face disciplinary action up to and including termination of their office or employment with the Corporation for just cause without notice or payment in lieu of notice.

Compensation

The Corporation has a Compensation Committee that recommends to the Board the compensation to be received by the Corporation's directors and the executive officers. Compensation is based on the underlying philosophy that such compensation should be competitive with other corporations of similar size and should be reflective of the experience, performance and

contributions of the individuals involved and overall performance of the Corporation. With respect to directors' compensation, the Compensation Committee reviews the level and form of compensation received by the directors, members of each committee, the Board Chair, the Lead Director, the Vice-Chair and the chair of each Board committee, considering the duties and responsibilities of each director, his or her past service and continuing duties in service to the Corporation. The compensation of directors and officers of competitors are considered, to the extent publicly available, in determining compensation and the Compensation Committee has the power to engage a compensation consultant or advisor to assist in determining appropriate compensation.

Diversity

The Board recognizes the importance of diversity as a component in ensuring that members of the Board as a whole possess the qualities, attributes, experience and skills required to effectively oversee the strategic direction and management of the Corporation.

The Board believes that diversity includes different skills, industry experience, professional experience and other qualities, as well as gender, race or ethnicity, sexual identity/orientation, age and cultural background. These factors, along with others, like independence and representation of large shareholders, are important for Genesis and are considered and appropriately balanced by the Board when determining membership on the Board and its committees.
